

HOST A TEDDY BEAR PICNIC

Here are some suggestions for planning your picnic:

- Find a location: Will the picnic be on your living room floor, in your backyard, at the park, or somewhere else?
- Plan a menu: What do you and your stuffies like to eat? You could make sandwiches and lemonade, or something else. Be sure to ask an adult for help if you want to cook something.
- Invite guests: Invite your family, and decide which dolls and stuffed animals to bring.
- Plan activities: you could have board games, play catch, or just chat.
- Take photos: be sure to capture the shenanigans you and your guests get up to!
